- **The rest of the world**
  - Egypt / I've been there 3 times
  - Mexico / I've been there once
  - United States / I've been there once (only one night)

I have been travelling in many different ways, mostly I have been travelling as a backpacker and on weekend trips which I write about on [Eventyrsstyrelsen](#) with my wife. In the last years I have been travelling with my child, and on naturist vacations - which both has created new experiences. You can actually read more about my newest project which is about naturism and travelling here on [SpotNaked.com](#).
